APPENDIX A:

COMPLIANCE SUPPLEMENT
FOR AUDITS OF LSC RECIPIENTS

December 1998

The "Compliance Supplement for Audits of LSC Recipients" ("Compliance Supplement") describes specific regulatory compliance requirements that apply to all recipients of funds from the Legal Services Corporation ("Corporation" or "LSC"). Compliance requirements are the responsibility of LSC management and have been provided by management for inclusion in this supplement. The requirements, if not observed, could have a direct or indirect material effect on the financial statements. Regulatory requirements relating to practice prohibitions, restrictions and requirements are considered to have a material impact on the LSC program (110 Stat. 1321 (1996)). Assessing compliance with these particular regulations is part of the annual audit of LSC recipients conducted under the general guidance of Office of Management and Budget (OMB) Circular A-133 for audits of non-profit institutions.

Beginning with the 1996 appropriation of Federal funds to LSC, the recipients are required to adhere to new prohibitions, restrictions and requirements (Section 504(b)of 110 Stat. 1321 (1996)). Although recipient adherence to all LSC regulations is required, the regulations covering practice prohibitions, restrictions and requirements under the FY 1996 appropriations act carry special reporting requirements. (See Section I.9.C of the Audit Guide.) These regulations are identified in the text of the Compliance Supplement with an "_" and are as follows:

- **PART 1610 - USE OF FUNDS FROM SOURCES OTHER THAN THE CORPORATION**
- **PART 1612 - RESTRICTIONS ON LOBBYING AND CERTAIN OTHER ACTIVITIES**
- **PART 1617 - CLASS ACTIONS**
- **PART 1620 - PRIORITIES IN USE OF RESOURCES**
- **PART 1626 - RESTRICTIONS ON LEGAL ASSISTANCE TO ALIENS**
- **PART 1627 - SUBGRANTS AND DUES**
- **PART 1632 - REDISTRIBUTING**
- **PART 1633 - RESTRICTION ON REPRESENTATION IN CERTAIN EVICTION PROCEEDINGS**
- **PART 1635 - TIMEKEEPING REQUIREMENT**
- **PART 1636 - CLIENT IDENTITY AND STATEMENT OF FACTS**
- **PART 1637 - RESTRICTIONS ON LITIGATION ON BEHALF OF A PRISONER**
- **PART 1638 - RESTRICTION ON SOLICITATION**
- **PART 1639 - WELFARE REFORM**
- **PART 1642 - ATTORNEYS' FEES**
Part A identifies items the IPA needs to consider during the audit planning process. Part B provides a brief overview of the new recordkeeping and regulatory requirements that were in effect for 1998. Part C identifies compliance requirements that are specific to the Corporation's grant programs, with reference to the specific Code of Federal Regulations (CFR) or statutory citations, where applicable.

Part C also provides suggested audit procedures to assist the IPA in planning and performing tests of the recipient’s compliance with these requirements. IPA judgment will be necessary to determine whether the suggested audit procedures are sufficient and whether additional or alternative audit procedures are needed. Determining the nature, timing, and extent of the audit procedures necessary to meet the audit objectives is the IPA’s responsibility. If a suggested audit procedure is not performed, the IPA is to document in the workpapers the alternative procedures used to accomplish the objective. These alternative procedures will be examined during OIG quality reviews of workpapers.

The OIG provides the suggested audit procedures as guidance to the IPAs. The procedures do not preclude the use of the IPA’s professional judgment in developing additional or alternative procedures based on the conditions noted during the audit.

Overview

This Compliance Supplement is divided into three parts, A, B and C. Parts A and B have been significantly revised from the previous edition of the Compliance Supplement. Part C has been amended in certain places in an effort to provide the IPAs with additional guidance.
IPAs performing an audit using this Compliance Supplement must review the LSC Act and regulations (including the regulations’ supplementary information) to obtain an understanding of the compliance requirements. The compliance requirements summarized in this Compliance Supplement reflect those required pursuant to the respective Final Regulation published by LSC.

IPAs must recognize that laws and regulations change periodically and that delays may occur between such changes and updates to this Supplement. Furthermore, IPAs must be aware that there may be provisions of contracts and grant agreements that are unique to a particular LSC recipient. The specific requirements of any such arrangements between the recipient and LSC are not detailed in this Supplement, but are to be identified and assessed by the IPA. Pursuant to 42 U.S.C. 2996g(b), LSC has prescribed certain specific recordkeeping requirements (by providing recipients with forms and procedures) effective January 30, 1998.

This Compliance Supplement is effective for audits of fiscal years beginning after December 31, 1997 and supersedes the previous edition of the Compliance Supplement issued in 1997.
PART A.  AUDIT PLANNING CONSIDERATIONS

In order to successfully complete this audit, the IPA must review the following documents and publications.

- Regulations of the Legal Services Corporation (June 1997)
- Copies of LSC regulations published since June 1997 distributed by LSC’s Office of General Counsel
- Legal Services Corporation Office of Inspector General “READ ME FIRST....”
- Legal Services Corporation Office of Inspector General “Single Audit Clearinghouse: CFDA Number”
- Legal Services Corporation Accounting Guide for LSC Recipients (August 1997)
- Memorandum from John A. Tull, Director, Office of Program Operations, to all LSC Program Directors and Board Chairs regarding “Certification of Program Integrity” (Oct. 30, 1997)
- Memorandum from John A. Tull, Director, Office of Program Operations, to all LSC Program Directors regarding “Recordkeeping Requirements” (Dec. 8, 1997)

These documents and publications should be in the possession of the recipient and be made available for use by the IPA. The OIG website, www.oig.lsc.gov and the LSC website, www.lsc.gov, also contain the majority of these documents for viewing. If you have any questions or need assistance, please call our Audit Help Line at (202) 295-1671, e-mail us at audits@oig.lsc.gov or fax us at (202) 337-6616.

The OIG routinely evaluates audits conducted by IPAs. The OIG may reject the compliance audit report and require corrective action if the quality reviews indicate the audit tests performed were inadequate. Major deficiencies in the audit that are not corrected may result in referrals to the AICPA and/or the respective state board of accountancy. Recent quality control reviews conducted by the OIG have identified deficiencies where IPAs have not adequately documented the audit work performed and conclusions reached in accordance with Government Auditing Standards. The IPA’s
compliance assessment of the requirements contained in the Compliance Supplement shall be adequately documented in their workpapers evidencing the audit work performed and conclusions reached.

It is highly unlikely that the LSC recipient would be considered a “low-risk auditee” based on the criteria defined in Sections 525(b), (c) and (d) of OMB Circular A-133 (see Audit Bulletin 97-01; see also Section 530 of OMB Circular A-133). Therefore, consistent with Audit Bulletin 97-01, for purposes of the current audit period, the LSC recipient cannot be considered a “low-risk auditee”.

5
PART B. NEW REQUIREMENTS FOR 1998

LSC’s FY 1996 appropriations act, 110 Stat. 1321 (1996), signed into law on April 26, 1996, established new restrictions on the work that LSC recipients are allowed to do. These new restrictions and requirements were generally effective on the date of enactment. LSC’s FY 1997 appropriations act, Public Law 104-208, and FY 1998 appropriations act, Public Law 105-119, continued these restrictions and requirements.

RECORDKEEPING REQUIREMENTS

By memorandum from the Director, Office of Program Operations, to all LSC Program Directors regarding “Recordkeeping Requirements” (Dec. 8, 1997) (Office of Program Operations’ memo), LSC has prescribed certain specific recordkeeping requirements (by providing recipients with forms and procedures) effective January 30, 1998. These recordkeeping requirements are mandatory. Furthermore, the recipient must either use the sample forms provided by LSC or other forms approved by the IPA identifying the same information. The regulations impacted by these recordkeeping requirements are as follows:

• 45 CFR §1609.4 (detail of recordkeeping requirement on fee-generating cases and sample form)
• 45 CFR §1612.10 (detail of recordkeeping requirement)
  Semiannual Report on Legislative and Rulemaking Activities Conducted Pursuant to 45 CFR §1612.6 (sample form)
• 45 CFR §1617.4 (detail of recordkeeping requirement on class action cases)
• 45 CFR §1620.7 (detail of recordkeeping requirement relating to priorities)
  Annual Report of Non-Priority Cases pursuant to 45 CFR §1620.7(b) (sample form)
• 45 CFR §1626.12 (detail of recordkeeping requirement on citizenship or eligible alien status)
• 45 CFR §1627.8 (detail of recordkeeping requirement)
• 45 CFR §1633.4 (detail of recordkeeping requirement relating to evictions and sample form)
• 45 CFR §1636.5 (detail of recordkeeping requirement for client identity and Statement of Facts)
• 45 CFR §1637.5 (detail of recordkeeping requirement for representation of prisoners)
• 45 CFR §1642.6 (detail of recordkeeping requirement for attorneys’ fees)

LSC also issued Program Letter 98-5 providing guidance as to the timing and format of the semiannual case disclosure report required by 45 CFR Part 1644. The reports must be submitted by the recipient to LSC on the sample form provided by LSC or on other forms containing the same information requested by LSC.

The IPA must ensure that all recordkeeping requirements have been met by the recipient. The IPA’s review of these requirements shall be adequately documented in their workpapers evidencing the audit work performed and conclusions reached.
NEW REGULATIONS

LSC issued two new regulations during 1998 that have been added to the Compliance Supplement.

• **45 CFR Part 1643 Restriction on Assisted Suicide, Euthanasia, and Mercy Killing**
• **45 CFR Part 1644 Disclosure of Case Information**

LSC also issued a substantially revised regulation, **45 CFR Part 1630 Cost Standards and Procedures**, effective January 30, 1998. The revisions have been appropriately incorporated into the text currently detailed in the Compliance Supplement.

OTHER GUIDANCE ON REGULATORY COMPLIANCE

Each LSC recipient’s governing body is required under 45 CFR Part 1610 to **annually certify (by December 31 of each year) that the program is in compliance with the program integrity requirements of §1610.8**. To provide guidance on the certification process and the requirements of 45 CFR Part 1610, LSC distributed a memorandum from the Director, Office of Program Operations, to all LSC Program Directors and Board Chairs regarding “Certification of Program Integrity” (Oct. 30, 1997) (Program Integrity memo). This Program Integrity memo contains the following attachments: (a) Certification of Program Integrity; (b) Guidance in Applying the Program Integrity Standards; and (c) Instructions for Certification of Program Integrity.
INTRODUCTION

The specific requirements for allowable or unallowable activities are detailed in the regulations and applicable statutory provisions. In order to assist the IPA, the specific compliance requirements are provided in summary form under this part, together with audit procedures unique to the specific compliance requirement. The compliance requirements included under this section are not the full text of the regulation or statutory provision. IPAs shall review the regulation (as published in the Code of Federal Regulations) and, if necessary, the supplementary information (as published in the Federal Register) or statutory provision in order to have a full understanding of the requirements.

The primary objective of the audit procedures detailed in the Compliance Supplement is to ensure that the audit results provide reasonable assurance the LSC recipient complied with the LSC Act, regulations and other applicable law. Based upon OIG experience, for purposes of compliance assessment, these procedures represent a minimum level of inquiry and testing expected to be performed by the IPA.

SAMPLE SELECTION OF CASE FILES

The IPA shall select a representative sample of case files. The IPA is to document in the workpapers the case sampling methodology, including how the sample size was determined and the total universe of cases from which the sample was selected. The case sample shall be selected from a universe that includes:

-- cases both opened and closed during the audit period;
-- cases opened during a prior period and closed during the audit period;
-- cases opened during a prior period and remaining open at the end of the audit period;
-- cases opened during the audit period and remaining open at the end of the audit period;
-- cases from the main and branch offices;
-- cases representing different subject areas from different units/project groups; and
-- cases with different levels of legal representation.

During this review of case files, attention shall be given to assessing compliance with the applicable requirements of 45 CFR Parts 1609, 1611, 1613, 1615, 1617, 1620, 1626, 1632, 1633, 1636, 1637, 1639, 1643, 1644 and the other statutory prohibitions identified in this Compliance Supplement.
ACCESS TO RECORDS

The IPA is within the attorney client privilege and has access to any records that, in the IPA’s judgment, are necessary to complete the audit. If the recipient asserts attorney client privilege, or in any other manner attempts, to deny the IPA access to necessary documents or relevant portions thereof, the IPA is to contact the OIG immediately.

SPECIFIC REQUIREMENTS

1608 PROHIBITED POLITICAL ACTIVITY

LSC Regulations

45 CFR §§ 1608.3, 1608.4, 1608.5 and 1608.6

Compliance Requirement

While employed under the LSC Act, no staff attorney (as defined at 45 CFR § 1600.1) shall, at any time, (a) use official authority or influence for the purpose of interfering with or affecting the result of an election or nomination for office, whether partisan or nonpartisan; (b) directly or indirectly coerce, command or advise an employee of any recipient to pay, lend, or contribute anything of value to a political party, or committee, organization, agency or person for political purposes; or (c) be a candidate for partisan elective office (45 CFR § 1608.5). For purposes of the LSC regulations, the term “political” refers to “that which relates engendering public support for or opposition to candidates for public office, ballot measures, or political parties, and would include publicity or propaganda used for that purpose (45 CFR § 1600.1).

LSC funds, personnel or equipment cannot be used or made available to any political party or association, to the campaign of any candidate for public or party office, or for use in advocating or opposing any ballot measure, initiative or referendum (45 CFR § 1608.3(b)).

LSC funds may not be used or made available for, and while engaged in legal assistance activities supported under the LSC Act, no attorney may engage in, any activity to provide voters with transportation to the polls or any similar assistance in connection with an election, or any voter registration activity (45 CFR §§ 1608.4(b), 1608.6).

However, these requirements do not prohibit an attorney from providing any form of legal assistance to an eligible client, and may not interfere with the fulfillment of any attorney's professional responsibilities to a client (45 CFR § 1608.7).
Suggested Audit Procedures

- Review policies or recipient practices in place to ensure that no recipient and/or employee or attorney of the recipient undertakes an activity in violation of 45 CFR §§ 1608.3(b), 1608.4, 1608.5, 1608.6, and 1608.7.

- Determine how the recipient ensures that the policies/practices are effectively communicated to staff and whether these policies/practices are followed by staff. Interview recipient staff as to their knowledge concerning the possible existence of any political activity.

- Determine that the recipient did not expend grant funds or contribute personnel or equipment in violation of the requirements of 45 CFR § 1608.3(b).

- Examine expenditures for payments or contributions:
  a) to any political party or association;
  b) to the campaign of any candidate for public or party office; and
  c) for use in advocating or opposing any ballot measure, initiative, or referendum.

1609 FEE-GENERATING CASES

LSC Regulations

45 CFR §§ 1609.2, 1609.3 and 1609.4

Compliance Requirement

Definition of a fee-generating case: any case or matter which, if undertaken on behalf of an eligible client by an attorney in private practice, reasonably may be expected to result in a fee for legal services from an award to a client, from public funds or from the opposing party (45 CFR §1609.2(a)).

Excluded from definition of fee-generating case: any case where (1) a court appoints a recipient or an employee of a recipient to provide representation in a case pursuant to a statute or a court rule or practice equally applicable to all attorneys in the jurisdiction, or (2) a recipient undertakes representation under a contract with a government agency or other entity (45 CFR §1609.2(b)).

Recipients may not use Corporation or private funds to provide legal assistance in a fee-generating case unless:
(1) the case was rejected by a local lawyer referral service or by two private attorneys; or
(2) neither the referral service nor two private attorneys would consider the case without payment of a consultation fee (45 CFR §1609.3(a)).
Recipients may provide legal assistance in a fee-generating case without first attempting referral only when:

2. The recipient, after consultation with appropriate representatives of the private bar, has determined that the type of case is one that private attorneys in the area served by the recipient ordinarily do not accept, or do not accept without prepayment of a fee; or
3. The director of the recipient, or the director's designee, has determined that referral of the case to the private bar is not possible because:
   (i) Documented attempts to refer similar cases in the past generally have been futile;
   (ii) Emergency circumstances compel immediate action before referral can be made, but the client is advised that, if appropriate, and consistent with professional responsibility, referral will be attempted at a later time; or
   (iii) Recovery of damages is not the principal object of the recipient's client's case and substantial statutory attorneys' fees are not likely to be available (45 CFR §1609.3(b)).

For requirements concerning fees in a properly undertaken fee-generating case, see 45 CFR Part 1642.

Each recipient must have written policies and procedures to guide its staff in complying with this rule and must maintain records sufficient to document the recipient's compliance with this rule (45 CFR §1609.4).

**Suggested Audit Procedures**

- Review the recipient’s policies or practices to ensure that fee-generating cases are accepted by the recipient in accordance with the requirements of 45 CFR § 1609.
- Review whether procedures have been established for referral of fee-generating cases and evaluate whether the procedures conform to the requirements of 45 CFR § 1609.3.
• Determine how these policies or practices are communicated to staff and whether such policies/practices are followed by staff. Interview a sample of recipient staff, including intake workers, as to their knowledge concerning the possible existence of any fee-generating case that was undertaken improperly by the recipient. Follow up on all such possible occurrences to determine if the case was a fee-generating case and if representation was authorized pursuant to the regulation.

• Ensure that the mandatory recordkeeping requirements impacting this regulation are in place in accordance with the Office of Program Operations’ memo to all LSC Program Directors dated December 8, 1997. Adequately document this assessment in the workpapers.

• As part of its recordkeeping system, the recipient shall maintain a separate file that identifies and summarizes each instance in which a fee-generating case, other than cases accepted under §1609.3(b)(2), was accepted. (LSC’s sample form, provided with the Office of Program Operations’ memo to all LSC Program Directors dated December 8, 1997, should be used as the summary.) Inspect this file for completeness. **If fee-generating cases were accepted by the recipient, select a sample of these cases to insure that they comply with the regulation.** Note that recipients shall establish a recordkeeping system which includes appropriate documentation in individual case files or elsewhere that indicates the basis for taking each fee-generating case, other than cases accepted under §1609.3(b)(2), including records that: (a) indicate the date when a referral was rejected by the lawyer’s referral service; or (b) indicate the names of two private attorneys who rejected the referral; or (c) indicate that neither the lawyer referral service nor two named private attorneys would consider the referral without prepayment of a consultation fee; or (d) indicate that the recipient’s executive director, or designee, has determined that the case cannot be referred to the private bar because one of the following circumstances exist including documentation: (1) that past attempts to refer similar cases have generally been futile; or (2) describing the emergency circumstance that compelled the recipient to take immediate action before referral could be made of a fee-generating case; or (3) that recovery of damages was not the principal object of the recipient’s client’s case and substantial statutory attorneys’ fees are not likely to be available. **Also note** that for court-appointed cases that would otherwise be considered to be fee-generating, recipients should include in the client’s file or in a central file copies of the court order directing that the recipient or employee of the recipient provide representation in the case and a copy of the statute or court rule that permits such appointment. If the appointment was made orally or was subject to an unwritten practice, the recipient should include an appropriate written description of the appointment or practice.

• If the recipient relies on §1609.3(b)(2) relating to consultation with the private bar, to accept a fee-generating case without first attempting referral, the recipient shall maintain: (a) a memorandum containing the names of appropriate representatives of the private bar with whom the recipient has discussed fee-generating cases and the bases on which the recipient has concluded that private attorneys in its service area do not accept, or do not accept without prepayment of a fee, particular types of fee-generating cases; and (b) a list of the types of such fee-generating cases that private attorneys do not accept. Inspect this documentation for compliance with the recordkeeping requirements.
In conjunction with the review of the sampled case files, and including discussions with the appropriate case handler, assess compliance with this regulation. Adequately document this assessment in the workpapers.

_1610 USE OF FUNDS FROM SOURCES OTHER THAN THE CORPORATION_

LSC Regulations

45 CFR § 1610

Compliance Requirement

Overview

(a) LSC Act Restrictions -- Longstanding restrictions on recipients’ activities are contained in the LSC Act and newer, more numerous restrictions are contained in LSC appropriations (Pub. L. 104-134, and continued by Pub. L. 104-208). LSC Act restrictions apply to LSC funds with significant extensions to private funds, but allow public, IOLTA and tribal funds to be used for the purposes for which they are granted.

(b) Appropriations Act Restrictions -- Most of the appropriations act restrictions are “entity restrictions” forbidding recipients of LSC funds from conducting restricted activity with any funds (with a narrow exception for Indian tribal funds). Most appropriations act restrictions took effect as of April 25, 1996, although a few specific requirements have later effective dates. With a few exceptions discussed below under §1610.7, any transfer of LSC funds to another entity carries appropriations act restrictions (and LSC Act restrictions on private funds) along with it to all of that entity’s funds. Transfer of non-LSC funds does not carry restrictions along with it. Regardless of whether funds are transferred to another entity, the extent to which a recipient may share staff and facilities with another organization that conducts restricted activities is limited by the program integrity standards of §1610.8.

Specific restrictions

Use of Funds for Restricted Activities

The LSC Act restrictions are listed under the rubric of “purpose prohibited by the LSC Act” at §1610.2(a). LSC funds and private funds may not be used for these activities; but public, IOLTA or tribal funds may be so used, provided the use is consistent with the purposes for which they were provided (45 CFR §§1610.2(a), 1610.2(c), 1610.2(e), 1610.2(f), 1610.4(b)).

immediately below, no recipient funds, whether LSC or non-LSC, may be used for such activities (45 CFR §§1610.2(b), 1610.3). These exceptions are: (1) Indian tribal funds
may be used for the specific purposes for which they were provided (45 CFR §§1610.2(h), 1610.4(a)); (2) restrictions governing representation in criminal proceedings and collateral attacks on criminal convictions, prisoner litigation and representation of aliens do not apply to (a) a recipient's or subrecipient's separately funded public defender program or project; or (b) criminal or related cases accepted by a recipient or subrecipient pursuant to a court appointment (45 CFR §1610.6). Both these exceptions also apply to LSC Act prohibitions discussed below (45 CFR §§1610.4(a), 1610.6).

Income Ineligible Client

A recipient may use any non-LSC funds to provide legal assistance to a financially ineligible (over-income) client, provided that the funds are used for the specific purposes for which those funds were provided and the activity is not otherwise prohibited by the LSC Act or Section 504 (45 CFR §1610.4(d)).

Contributions received from Non-LSC Sources

Except for contributions of less than $250, no recipient may accept funds from any source other than the Corporation, unless it provides to the source of the funds written notification of the prohibitions and conditions which apply to the funds (45 CFR §1610.5).

(2) The other organization receives no transfer of LSC funds, and LSC funds do not subsidize restricted activities; and

Restrictions on Transferred Funds

If a recipient transfers LSC funds to another person or entity, the prohibitions and requirements referred to in 45 CFR §1610 apply both to the LSC funds transferred and to the non-LSC funds of the person or entity to whom those funds are transferred, except that: (1) As to the requirements of 45 CFR §1620 on priorities, the transferee shall either: (i) use the funds transferred consistent with the recipient's priorities; or (ii) establish their own priorities for the use of the funds transferred consistent with 45 CFR §1620. (2) As to the requirements of 45 CFR §1635 on timekeeping, the transferee is required only to maintain records of time spent on each case or matter undertaken with the funds transferred and need not maintain such records in the form required by 45 CFR §1635. (3) For a transfer of LSC funds to bar associations, pro bono programs, private attorneys or law firms, or other entities for the sole purpose of funding private attorney involvement activities (PAI) pursuant to 45 CFR §1614, the prohibitions or requirements of 45 CFR §1610 shall apply only to the funds transferred and not to the transferee’s other funds (45 CFR §1610.7).

Program Integrity

A recipient must have objective integrity and independence from any organization that engages in restricted activities. A relationship with another organization will meet this standard if: (1) The other organization is a legally separate entity; (3) The recipient is physically and financially separate from the other organization. Mere bookkeeping separation of LSC funds from other funds is not sufficient. Whether
Each recipient’s governing body must have certified to the Corporation by December 19, 1997 that the recipient is in compliance with the requirements of §1610.8(a). Thereafter, the recipient’s governing body must certify such compliance to the Corporation on an annual basis (45 CFR §1610.8(b)).

Funds received by a recipient from a source other than the Corporation shall be accounted for as separate and distinct receipts and disbursements in a manner directed by the Corporation (45 CFR §1610.9).

Suggested Audit Procedures

- Determine how the recipient ensures compliance with this regulation. Obtain an understanding of the internal controls in place to ensure compliance with the requirements of 45 CFR § 1610. Review policies and procedures.

- Obtain an understanding as to how the restrictions are communicated to staff and whether these are adhered to by staff. Interview recipient staff as to their knowledge concerning the possible existence of any matter that may fall under the restrictions of this regulation. Follow-up on all such possible occurrences.

- Inspect the recipient’s Certification of Program Integrity for the current audit period to ensure that the program is in compliance with the program integrity requirements of 45 CFR §1610.8. Review any leases, contracts, agreements, arrangements, understandings or relationships that the recipient, its staff or its board may have currently or had previously entered into with entities (organizations or individuals) engaged in restricted activities in order to ensure compliance with 45 CFR § 1610.8 and the guidance provided by LSC pursuant to the Program Integrity memo. (These entities may include individual private practitioners, law firms, not-for-profit organizations, public interest groups, etc.)

- Sample transactions (payments/transfers) with entities (organizations or individuals) that are known to be involved in restricted/prohibited activities in order to ascertain that any such transactions comply with 45 CFR § 1610.

- Review the accounting system (chart of accounts, general ledger etc.) to ascertain whether it provides for a separation of receipts and disbursements of LSC and non-LSC funds in accordance with the requirements of 45 CFR § 1610.9.
• Review the method of allocating expenses between LSC and non-LSC funds to ascertain whether it ensures that non-LSC funds, except as permitted by 45 CFR § 1610, are not used for the prohibited activities as defined by 45 CFR § 1610.3.

• Inquire of appropriate personnel and review grant and contract agreements for non-LSC funds to determine whether activities that LSC restrictions permit to be undertaken with non-LSC funds (e.g., responding to requests of legislators or agency officials under Part 1612, payment of dues under Part 1627, etc.) may be undertaken with the particular non-LSC funds.

1611 ELIGIBILITY

LSC Regulations

45 CFR §§ 1611.3, 1611.4, 1611.5, 1611.6 and 1611.8

Compliance Requirement

Income level

Every recipient shall establish a maximum annual income level for persons to be eligible to receive legal assistance under the LSC Act (45 CFR § 1611.3(a)). Unless specifically authorized by LSC, a recipient shall not establish a maximum annual income level that exceeds one hundred and twenty-five percent (125 percent) of the current official Federal Poverty Income Guidelines (45 CFR § 1611.3(b)). See the Appendix to 45 CFR § 1611 for LSC’s current income levels.

Recipients establish maximum annual income levels and asset ceilings for client eligibility and may not use LSC funds to represent individuals whose income exceeds the maximums unless (a) the client's gross income is under 187.5% of poverty line, (b) the asset ceiling, if exceeded, has been waived pursuant to a policy established by the recipient's governing body, and (c) the client file includes the recipient's documentation pursuant to authorized exceptions under 45 CFR § 1611.5(b)(1), or the client is seeking legal assistance to secure benefits provided by a governmental program for the poor. The recipient must keep records as to the number of over income clients served and the factual basis for each such exception (45 CFR §§ 1611.3, 1611.4, 1611.6) when LSC funds are used. Please note that recipients who receive Older Americans Act (OAA) funds for the representation of senior citizens, whether or not they use LSC funds for the nonfederal match, are not permitted to use a means test in determining eligibility of the seniors who are represented with OAA funds.

The governing body of a recipient shall adopt guidelines, consistent with these regulations,
for determining the eligibility of persons seeking legal assistance under the LSC Act (45 CFR § 1611.5(a)). These guidelines shall be reviewed annually.

**Asset ceilings**

Annually, the governing body of the recipient shall establish guidelines incorporating specific and reasonable asset ceilings, including both liquid and non-liquid assets, to be utilized in determining eligibility for services (45 CFR § 1611.6(a)). The guidelines shall consider the economy of the service area and the relative cost-of-living of low-income persons so as to ensure the availability of services to those in the greatest economic and legal need. The guidelines shall be consistent with the recipient's priorities established in accordance with 45 CFR 1620 and special consideration shall be given to the legal needs of the elderly, institutionalized, and handicapped (45 CFR § 1611.6(b)). Assets considered shall include all liquid and non-liquid assets of all persons who are resident members of a family unit, except that a recipient may exclude the principal residence of a client (45 CFR § 1611.6(c)).

**Group eligibility**

LSC funds can only be used to provide legal assistance to a group that is primarily composed of persons eligible for legal assistance under the Act and that has no practical means of obtaining funds to retain private counsel (45 CFR § 1611.5(c)).

**Retainer Agreement**

The recipient must routinely execute a retainer agreement with each client when representation commences, unless only brief advice and consultation was provided, or the situation appeared to be an emergency and a retainer agreement was executed "as soon thereafter as is practicable" (45 CFR § 1611.8).

**Suggested Audit Procedures**

- Obtain an understanding of the recipient's policies and procedures for ensuring compliance with 45 CFR §§ 1611.3, 1611.4, 1611.5 and 1611.6.

- Determine if the recipient has established a maximum annual income level, not in excess of 125% of the current official Federal Poverty Income Guidelines, for persons to be eligible to receive legal assistance under the LSC Act.

- Review the recipient's eligibility guidelines to ascertain whether it incorporates asset ceilings pursuant to 45 CFR § 1611.6(a).

- Review the recipient's policies or procedures relating to determination of group eligibility to ascertain whether they are consistent with 45 CFR § 1611.5(c).

- Review board minutes and resolutions to determine if the recipient's board of directors has adopted eligibility guidelines for determining the eligibility of persons seeking legal assistance under the LSC Act.
assistance under the LSC Act and whether these guidelines are consistent with provisions of the regulation in accordance with 45 CFR § 1611.5(a).

- Determine whether intake and case acceptance policies and procedures are in place to ensure that the clients served with LSC funds are eligible in accordance with the requirements of 45 CFR § 1611.
  a. Interview appropriate recipient staff responsible for the client intake process and eligibility determination;
  b. Perform tests to ascertain if the recipient’s records/database includes all the clients receiving services during the audit period; and
  c. Select a sample of clients (intake records) receiving services and perform tests to ascertain if the specific individuals were eligible in accordance with the compliance requirements. (This step can be performed in conjunction with the review of the sampled case files.)

- Review recipient records as to the number of clients whose income exceeded 125% of the poverty line and were authorized to be served by the recipient with LSC funds and the factual basis for each such authorization in compliance with 45 CFR § 1611.4(b). Review a sample of files of over income clients served to determine whether the factual basis for each authorization is documented and is consistent with the authorized exceptions identified in the regulation.

- Ascertain whether the recipient routinely executes a retainer agreement for each client when representation commences, except when the only service to be provided is brief advice and consultation or an emergency situation.

- **In conjunction with the review of the sampled case files, and including discussions with the appropriate case handler, assess compliance with this regulation.** This review shall determine adherence to the prescribed system. This review shall include the following components:
  a) Examine case files for eligibility forms and signed retainer agreements.
  
  b) Review eligibility determinations to assess whether the client's reported income level was within the maximum income levels established by the recipient.
  
  c) If the client's reported income level exceeded the maximum income level, determine whether the assistance provided the client was supported by non-LSC funds (45 CFR § 1611.3(e)). If LSC funds were used and the client's gross income exceeded the maximum income level, but did not exceed 187.5% of the poverty line, establish that the recipient made the determination that eligibility should be allowed on the basis of one or more factors set forth in 45 CFR § 1611.5(b)(1); or the client was seeking assistance to secure benefits provided by a governmental program for the poor (45 CFR § 1611.4(a)(1) and (2)); and the program maintained documentation supporting the decision and the factual bases for the decision (45 CFR § 1611.4(b)).

The requirements of § 1627.3 also apply to all subgrants by one recipient to another recipient (45 CFR § 1627.6(a)).

After April 25, 1996, recipients may not use Corporation funds to pay dues to any private or nonprofit organization other than dues mandated as a requirement of practicing a profession by a governmental organization, but non-LSC funds may be used to pay such dues (45 C.F.R. §1627.4).

Recipients may not make any contributions or gifts of LSC funds to another organization or to an individual (45 CFR § 1627.5).

Recipients must have written policies and procedures to guide their staff in complying with this part and shall maintain records sufficient to document the recipient’s compliance with this part (45 CFR § 1627.8).

Suggested Audit Procedures

• Obtain an understanding of the written policies, procedures and recordkeeping in place for ensuring compliance with this regulation and for ensuring that subrecipients comply with the LSC Act, regulations, grant agreements and subgrant agreements.

• Identify all subgrants using LSC funds and determine if prior written approval for the subgrants was obtained from LSC.
Discuss subrecipient oversight with the recipient’s staff to gain an understanding of the scope of these activities, including the number, size, and complexity of awards to subrecipients.

Review the recipient’s documentation of subrecipient oversight to ascertain if the recipient ensured that subrecipients used LSC funds for authorized purposes and in accordance with subgrant agreements.

Determine whether LSC funds transferred to organizations or private attorneys comply with the requirements of 45 CFR § 1627.

Determine whether LSC funds were used to pay dues or contributions in violation of 45 CFR §§ 1627.4 and 1627.5 by testing expenditures for payments made with LSC funds.

Verify whether LSC funds received by the recipient from another recipient were properly accounted for in accordance with the requirements of 45 CFR § 1627.6.

1628 RECIPIENT FUND BALANCES

LSC Regulations

45 CFR §§ 1628.1, 1628.2(a), 1628.3, 1628.4(c) and (e), and 1628.5(a) and (c)

Compliance Requirement

Without prior Corporation approval, a recipient may not use LSC funds to liquidate a deficit in the LSC fund from a prior year (45 CFR § 1628.5).

Without prior Corporation approval, a recipient may not expend LSC funds carried over from one year to the next in excess of 10% of LSC "support." For these purposes, Corporation "support" includes annualized Corporation grant awards plus additional income (a) derived from a Corporation grant, such as interest and rents, and (b) the proportion attributable to any LSC grant of any reimbursement or recovery of direct payments to attorneys, proceeds from the sale of assets or other compensation or income (45 CFR § 1628.2(a)).

Suggested Audit Procedures

Calculate the recipient's prior year-end LSC fund balance and determine if the amount exceeded 10% of its annualized support (as defined in 45 CFR §1628.2(a)). If so, determine if the recipient requested and received a waiver for the 10% ceiling or repaid LSC the fund balance amount in excess of 10% if no waiver was received.
• Verify that income derived from an LSC grant (including interest and rents), and the proportion attributable to any LSC grant of any reimbursement or recovery of direct payments to attorneys, proceeds from the sale of assets or other compensation or income has been properly allocated to the LSC fund as support.

• Determine whether excess fund balance amounts approved by LSC for carryover were expended in accordance with the waiver granted.

• Ensure that the excess fund balance amount approved for expenditure is separately reported in the current year audited financial statements.

• Determine that LSC one-time grants have been accounted for separately as required by 45 CFR §1628.3(e). Test expenditures associated with LSC one-time grants and evaluate whether the expenditures were consistent with the purpose for which the funds were granted.

1630 COST STANDARDS AND PROCEDURES

LSC Regulations

45 CFR 1630

Compliance Requirement

The LSC Act, the annual appropriations acts, and the Corporation's rules, regulations, and guidelines, including the 1997 Accounting Guide for LSC Recipients, establish the relevant cost principles for testing compliance under this Compliance Supplement. This regulation is intended to provide uniform standards for allowability of costs.

The standards governing allowability of costs under LSC grants or contracts are set out in 45 CFR §1630.3. Expenditures by a recipient are allowable under the recipient’s grant or contract only if the recipient can demonstrate that the cost was: (1) actually incurred in the performance of the grant or contract and the recipient was liable for payment; (2) reasonable and necessary for the performance of the grant or contract as approved by LSC; (3) allocable to the grant or contract; (4) in compliance with the Act, applicable appropriations law, Corporation rules, regulations, guidelines, and instructions, the Accounting Guide for LSC Recipients, the terms and conditions of the grant or contract, and other applicable law; (5) consistent with accounting policies and procedures that apply uniformly to both LSC financed and other activities of the recipient; (6) accorded consistent treatment over time; (7) determined in accordance with generally accepted accounting principles; (8) not included as a cost or used to meet cost sharing or matching requirements of any other federally financed program, unless the agency whose funds are being matched determines in writing that LSC funds may be used for federal matching
purposes; and (9) adequately and contemporaneously documented in business records accessible to organizations authorized to conduct audits of recipients. See 45 CFR §§1630.3(a) and (b).

A cost is allocable to a particular cost objective, such as a grant, project, service, or other activity, in accordance with the relative benefits received. Costs may be allocated to LSC funds either as direct or indirect costs in accordance with this section. A cost is allocable to an LSC grant or contract if it is treated consistently with other costs incurred for the same purpose in like circumstances and if it: (1) is incurred specifically for the grant or contract; (2) benefits both the grant or contract and other work and can be distributed in reasonable proportion to the benefits received; or (3) is necessary to the overall operation of the recipient, although a direct relationship to any particular cost objective cannot be shown. See 45 CFR §§1630.3(c)-(h).

Without prior written approval of the Corporation, no cost attributable to any of the following may be charged to LSC funds: (1) pre-award costs and costs incurred after the cessation of funding; (2) purchases and leases of equipment, furniture, or other personal, non-expendable property, if the current purchase price of any individual item of property exceeds $10,000; (3) purchases of real property; and (4) capital expenditures exceeding $10,000 to improve real property. See 45 CFR §1630.5(b).

Without prior written approval of the Corporation, no cost attributable to any of the following may be charged to LSC funds: (1) pre-award costs and costs incurred after the cessation of funding; (2) purchases and leases of equipment, furniture, or other personal, non-expendable property, if the current purchase price of any individual item of property exceeds $10,000; (3) purchases of real property; and (4) capital expenditures exceeding $10,000 to improve real property. See 45 CFR §1630.5(b).

Derivative income resulting from an activity supported in whole or in part with funds provided by the Corporation shall be allocated to the fund in which the recipient’s LSC grant is recorded in the same proportion that the amount of LSC funds expended bears to the total amount expended by the recipient to support the activity (45 CFR §1630.12(a)). Derivative income which is allocated to the LSC fund in accordance with §1630.12(a) is subject to the requirements of this part, including the requirement that expenditures of such funds be in compliance with the Act, applicable appropriations laws, Corporation rules, regulations, guidelines, and instructions, the Accounting Guide for LSC Recipients, the terms and conditions of the grant or contract, and other applicable law (45 CFR §1630.12(b)).

No costs attributable to a purpose prohibited by the LSC Act, as defined by 45 CFR §1610.2(a), may be charged to private funds, except for tribal funds used for the specific purposes for which they were provided. No cost attributable to an activity prohibited by or inconsistent with Section 504, as defined by 45 CFR §1610.2(b), may be charged to non-LSC funds, except for tribal funds used for the specific purposes for which they were provided (45 CFR §1630.11(a)).

Suggested Audit Procedures

- Obtain an understanding of the policies, practices and internal controls in place to ensure that costs charged to the LSC grant, and activities undertaken with non-LSC funds, are allowable pursuant to the LSC Act and regulations. Test a sample of transactions for conformance with the standards governing allowability of costs under §§1630.3(a)-(h) including:
  a. Costs approved by LSC, if necessary;
b. Costs conform with the allowability of costs provisions pursuant to applicable cost principles or limitations contained in the LSC grant award, LSC regulations or LSC statutory provisions;
   
   c. Costs represent charges for actual costs, not budgeted or projected amounts;
   
   d. Costs are given consistent accounting treatment within and between accounting periods;
   
   e. Costs calculated in conformity with generally accepted accounting principles; and
   
   f. Costs are supported by appropriate documentation (such as approved purchase orders, receiving reports, vendor invoices, canceled checks, and time records) and correctly charged as to account, amount, and period.

- Confirm that prior approval by LSC had been obtained for the use of LSC funds for (1) pre-award costs and costs incurred after the cessation of funding; (2) purchases and leases of equipment, furniture, or other personal, non-expendable property, if the current purchase price of any individual item of property exceeds $10,000; (3) purchases of real property; and (4) capital expenditures exceeding $10,000 to improve real property (45 CFR § 1630.5(b)).

- Confirm that prior approval by LSC had been obtained for the use of LSC funds for private attorney contracts in excess of $25,000 (45 CFR § 1627.2(b)(1)).

- Verify that derivative income resulting from an activity supported with LSC funds is allocated to the fund in which the recipient’s LSC grant is recorded in the same proportion that the amount of LSC funds expended bears to the total amount expended by the recipient to support the activity (45 CFR §1630.12(a)).

**_1632 REDISTRICTING_**

**LSC Regulations**

45 CFR§§ 1632.2, 1632.3, 1632.4

**Compliance Requirement**

After April 25, 1996, recipients shall not make available any funds, personnel, or equipment for use in advocating or opposing any plan or proposal, or represent any party or participate in any other way in litigation related to redistricting. This does not prohibit any litigation brought by a recipient under the Voting Rights Act of 1965, as amended, 42 U.S.C. 1971 et seq., provided such litigation does not involve redistricting (45 CFR §§ 1632.2, 1632.3).

Recipients must have written policies to implement the requirements of this part (45 CFR § 1632.4).
Suggested Audit Procedures

• Obtain an understanding of the written policies in place to ensure compliance with the requirements of 45 CFR § 1632 and ascertain whether the recipient's policies are consistent with the provisions of the regulation.

• Determine how the recipient ensures that the policies are effectively communicated to staff. Interview recipient staff as to their knowledge concerning the possible existence of any matter falling under the restrictions of this regulation. Follow-up on all such possible occurrences.

• In conjunction with the review of the sampled case files, and including discussions with the appropriate case handler, assess compliance with this regulation. Adequately document this assessment in the workpapers.

1633 RESTRICTION ON REPRESENTATION IN CERTAIN EVICTION PROCEEDINGS

LSC Regulations

45 CFR §§ 1633.2, 1633.3, 1633.4

Compliance Requirement

After April 25, 1996, recipients may not defend any person in a proceeding to evict that person from a public housing project if: (a) the person has been charged with or has been convicted of the illegal sale, distribution, or manufacture of a controlled substance, or possession of a controlled substance (as defined in §102 of the Controlled Substances Act (21 U.S.C. §802)) with the intent to sell or distribute; and (b) the eviction proceeding is brought by a public housing agency on the basis that the illegal drug activity for which the person has been charged or for which the person has been convicted threatens the health or safety of other tenants residing in the public housing project or employees of the public housing agency (45 CFR §§1633.2, 1633.3).

Recipients must have written policies and procedures to guide their staff in complying with this part and shall maintain records sufficient to document the recipient's compliance with this part (45 CFR § 1633.4).

Suggested Audit Procedures

• Obtain an understanding of the written policies, procedures and recordkeeping in place to ensure compliance with this regulation and ascertain whether the recipient's written policies and procedures are consistent with the provisions of this regulation.
• Determine how the recipient ensures that the written policies and procedures are effectively communicated to staff and whether these procedures are followed in practice by staff. Interview a sample of recipient staff as to their knowledge concerning the possible existence of any matter falling under the prohibition of this section. Follow-up on all such possible occurrences.

• Ensure that the mandatory recordkeeping requirements impacting this regulation are in place in accordance with the Office of Program Operations’ memo to all LSC Program Directors dated December 8, 1997. Adequately document this assessment in the workpapers.

• Obtain the list maintained by the recipient of all cases which involve an eviction from public housing where there is an allegation of drug sale, distribution or manufacture, or possession with intent to sell or distribute. **Verify, by physical inspection of the respective case file, that each case contained on the list complies with Part 1633. Note that in each clients’ case file, the recipient shall maintain documentation which demonstrates why the representation is permissible.** (LSC has provided a sample form to be included in each case file involving these issues. The sample form is attached to the Office of Program Operations’ memo to all LSC Program Directors dated December 8, 1997.)

• In conjunction with the review of the sampled case files, and including discussions with the appropriate case handler, assess compliance with this regulation. Adequately document this assessment in the workpapers.

[Note: Legal Services Corporation Timekeeping Guide (April, 1996) has been prepared for LSC recipients.]

**1635 TIMEKEEPING REQUIREMENT**

**LSC Regulations**

45 CFR §§ 1635.1, 1635.2 and 1635.3

**Compliance Requirement**

All recipients of LSC funds are required to account for the time spent on all cases, matters, and supporting activities by their attorneys and paralegals, whether funded by LSC or by other sources.

As used in this part, 45 CFR § 1635.2 provides the following definitions: (a) A "case" is a form of program service in which an attorney or paralegal of a recipient provides legal services to one or more specific clients, including, without limitation, providing representation in litigation, administrative proceedings, and negotiations,
and such actions as advice, providing brief services and transactional assistance, and assistance with individual PAI cases. (b) A "matter" is an action which contributes to the overall delivery of program services but does not involve direct legal advice to or legal representation of one or more specific clients. Examples of matters include both direct services, such as community education presentations, operating pro se clinics, providing information about the availability of legal assistance, and developing written materials explaining legal rights and responsibilities; and indirect services, such as training, continuing legal education, general supervision of program services, preparing and disseminating desk manuals, PAI recruitment, intake when no case is undertaken, and tracking substantive law developments. (c) A "supporting activity" is any action that is not a case or matter, including management and general, and fundraising.

All expenditures of funds for recipient actions are, by definition, for cases, matters, or supporting activities. The allocation of all expenditures must be carried out in accordance with 45 CFR Part 1630 (45 CFR § 1635.3(a)).

Suggested Audit Procedures

- Obtain an understanding of the recipient's timekeeping system in place to ensure compliance with the timekeeping requirements of this regulation. Interview both the executive director and the individual responsible for maintaining and tracking the timekeeping system.

- Determine how the recipient ensures that the timekeeping requirements are effectively communicated to staff and whether these requirements are followed in practice by staff. Interview a sample of recipient staff and review a sample of management's and staff's timesheets to assess compliance with the program's policy and this regulation.

Time spent by attorneys and paralegals must be documented by time records which record the amount of time spent on each case, matter, or supporting activity (45 CFR § 1635.3(b)). Time records must be created contemporaneously and account for time in increments not greater than one-quarter of an hour which comprise all of the efforts of the attorneys and paralegals for which compensation is paid (45 CFR § 1635.3(b)(1)). Each record of time spent must contain: for a case, a unique client name or case number; for matters or supporting activities, an identification of the category of action on which the time was spent (45 CFR § 1635.3(b)(2)).

The timekeeping system must have been implemented by May 31, 1996 or within 30 days of the effective date of a grant or contract, whichever is later (45 CFR § 1635.3(c)).

The timekeeping system must be able to aggregate time record information from the time of implementation on both closed and pending cases by legal problem type (45 CFR § 1635.3(d)).
CLIENT IDENTITY AND STATEMENT OF FACTS

LSC Regulations

45 CFR §§ 1636.2, 1636.3, 1636.5

Compliance Requirement

For cases undertaken after April 25, 1996, the recipient must, prior to the initiation of litigation or settlement negotiations, prepare for each case in which it files a complaint in a court of law or participates in litigation against a defendant, or engages in pre-complaint settlement negotiations where the filing of a suit has been authorized by the plaintiff if negotiations fail, a dated written statement (in English and, if necessary, in another language which the plaintiff understands) signed by each plaintiff, enumerating the particular facts known to the plaintiff supporting the complaint. The recipient must identify each plaintiff by name in any complaint filed (or in a separate notice provided to the defendant against whom the complaint is filed where disclosure in the complaint would be contrary to law or court rules or practice) and identify each plaintiff it represents to prospective defendants in pre-litigation settlement negotiations, unless a court of competent jurisdiction has entered an order protecting the client from such disclosure based on a finding, after notice and an opportunity for a hearing on the matter, of probable, serious harm to the plaintiff if the disclosure is not prevented (45 CFR §1636.2).

In the event of an emergency, where the recipient reasonably believes that delay is likely to cause harm to a significant safety, property or liberty interest of the client, the recipient may proceed with the litigation or negotiation without a signed statement of fact, provided that the statement is signed as soon as possible thereafter (45 CFR § 1636.2(c)).

Written statements of fact prepared in accordance with this part are to be kept on file by the recipient (45 CFR § 1636.3(a)). These may be kept in each client’s file or in a central file, in accordance with the recipient’s own system of recordkeeping.

Recipients must have written policies and procedures to guide their staff in complying with this part and shall maintain records sufficient to document the recipient’s compliance with this part (45 CFR § 1636.5).

Suggested Audit Procedures

• Obtain an understanding of the written policies, procedures and recordkeeping in place to ensure compliance with the requirements of this regulation. Ascertain whether the recipient’s written policies, procedures and recordkeeping are consistent with the provisions of this regulation.
• Determine how the recipient ensures that the written policies and procedures are communicated to staff and whether these procedures are followed in practice by staff. Interview a sample of recipient staff as to their knowledge concerning the possible existence of any cases where the recipient failed to follow the requirements of this section. Follow up on all such possible occurrences.

• Ensure that the mandatory recordkeeping requirements impacting this regulation are in place in accordance with the Office of Program Operations’ memo to all LSC Program Directors dated December 8, 1997. Adequately document this assessment in the workpapers.

• In conjunction with the review of the sampled case files, and including discussions with the appropriate case handler, inspect cases filed in court after April 26, 1996 in order to determine whether a written statement of fact (prepared in accordance with this part) was obtained by the recipient prior to filing the lawsuit. Adequately document this assessment in the workpapers. Note that in each case where the recipient (1) files a complaint in a court of law or otherwise initiates or participates in litigation against a defendant, but does not identify the plaintiff(s) by name in the complaint or in a separate notice to the defendant against whom the complaint is filed, or (2) participates in pre-litigation settlement negotiations, but does not identify the plaintiff(s) it represents to prospective defendants, the recipient shall maintain in each such client’s file, documentation indicating the reason, under §1636.2(a)(1), that such identification was not made. If, consistent with §1636.2, preparation and/or signing of the statement of facts is delayed because of an emergency, the recipient also shall maintain in the case file a statement of the nature of the emergency.

1637 RESTRICTION ON LITIGATION ON BEHALF OF A PRISONER

LSC Regulations

45 CFR §§ 1637.2, 1637.3, 1637.4, 1637.5

Compliance Requirement

After April 25, 1996, recipients may not participate in any civil litigation on behalf of a person incarcerated in a Federal, State or local prison (45 CFR § 1637.3). After August 29, 1996, recipients may not participate on behalf of such an incarcerated person in any administrative proceeding challenging the conditions of incarceration (45 CFR § 1637.3). “Incarcerated” means the involuntary physical restraint of a person who has been arrested for or convicted of a crime; “Federal, State or local prison” means any penal facility maintained under government authority (45 CFR 1637.2). (The specification of penal facility is meant to exclude any non-penal detention facility, such as a juvenile or mental health facility, even one housing the
criminally insane, from the definition and, consequently, to allow civil litigation on behalf of persons physically restrained in a mental health facility).

If, to the knowledge of the recipient, a client becomes incarcerated after litigation has commenced, the recipient must use its best efforts to withdraw promptly from the litigation, unless the client's period of incarceration is anticipated to be brief and the litigation is likely to continue beyond the period of incarceration (45 CFR § 1637.4).

Recipients must have written policies and procedures to guide their staff in complying with this part and shall maintain records sufficient to document the recipient's compliance with this part (45 CFR § 1637.5).

Recipients may provide assistance to incarcerated individuals in court appointment or as part of a separately funded public defender project or program.

Suggested Audit Procedures

- Obtain an understanding of the written policies, procedures and recordkeeping in place to ensure compliance with the restrictions detailed in the regulation. Ascertain whether the recipient's written policies, procedures and recordkeeping are consistent with the provisions of the regulation.

- Determine how the recipient ensures that the written policies and procedures are communicated to staff and whether these procedures are followed in practice by staff. Interview a sample of recipient staff as to their knowledge concerning the possible existence of any matter falling under the restrictions of this section. Follow up on all such possible occurrences.

- Ensure that the mandatory recordkeeping requirements impacting this regulation are in place in accordance with the Office of Program Operations’ memo to all LSC Program Directors dated December 8, 1997. Adequately document this assessment in the workpapers.

- Obtain the list maintained by the recipient of all cases in which the recipient is representing incarcerated clients, in litigation or administrative proceedings challenging the conditions of incarceration. The auditor should be alert for continuing involvement in prohibited case activity previously reported by the recipient to LSC as having been fully divested.

- In conjunction with the review of the sampled case files, and including discussions with the appropriate case handler, assess compliance with this regulation. Adequately document this assessment in the workpapers. Note that in each case where the recipient has knowledge that a person whom the recipient is representing in civil litigation has become incarcerated after the litigation commenced, the recipient shall include in the client’s file either: (a) documentation evidencing the date of the recipient’s notification of the client’s incarceration, and the recipient’s efforts to withdraw from the litigation; or (b) a statement
detailing the reason(s) why the recipient anticipates that the period of incarceration is likely to be brief and the litigation is likely to continue beyond the period of incarceration.

1638 RESTRICTION ON SOLICITATION

LSC Regulations

45 CFR §§ 1638.2, 1638.3, 1638.4, 1638.5

Compliance Requirement

Recipients are prohibited from representing clients and referring individuals to other recipients as a result of unsolicited in-person advice. In-person unsolicited advice is a face-to-face encounter or a personal encounter via other means of communication (such as a personal letter or telephone call) advising the individual or client, who did not seek that advice or have an attorney-client relationship with the recipient, to obtain counsel or take legal action (45 CFR §§ 1638.2, 1638.3).

This part does not prohibit recipients or their employees from providing information regarding legal rights and responsibilities or providing information regarding the recipient’s services and intake procedures through community legal education activities such as outreach, public service announcements, maintaining an ongoing presence in a courthouse to provide advice at the invitation of the court, disseminating community legal education publications, and giving presentations to groups that request them (45 CFR § 1638.4(a)). Nor does it prohibit representation or referral of clients by recipients pursuant to a statutory or private ombudsman program that provides investigatory and referral services and/or legal assistance on behalf of persons who are unable to seek assistance on their own, including the institutionalized or physically or mentally disabled (45 CFR §1638.4).

Recipients must have written policies to implement the requirements of this part (45 CFR § 1638.5).

Suggested Audit Procedures

- Obtain an understanding of the written policies in place to ensure compliance with the requirements and restrictions in order to determine if the recipient's written policies are consistent with the provisions of this regulation.

- Determine how the recipient ensures that the policies are communicated to staff. Interview recipient staff as to their knowledge concerning the possible existence of any matter falling under the restrictions of this section. Follow up on all such possible occurrences.

_1639 WELFARE REFORM_

LSC Regulations

45 CFR §§ 1639.2, 1639.3, 1639.4, 1639.5, 1639.6

Compliance Requirement

Except as provided below, recipients may not initiate legal representation, or participate in any other way in litigation, lobbying or rulemaking, involving an effort to reform a Federal or State welfare system. Prohibited activities include participation in: (a) Litigation challenging laws or regulations enacted as part of an effort to reform a Federal or State welfare system; (b) Rulemaking involving proposals that are being considered to implement an effort to reform a Federal or State welfare system; © Lobbying before legislative or administrative bodies undertaken directly or through grassroots efforts involving pending or proposed legislation that is part of an effort to reform a Federal or State welfare system (45 CFR §1639.3).

The scope of the two definitions in this regulation is critical to its interpretation:

(a) An effort to reform a Federal or State welfare system includes all of the provisions, except for the Child Support Enforcement provisions of Title III, of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Personal Responsibility Act), 110 Stat. 2105 (1996), and subsequent legislation enacted by Congress or the States to implement, replace or modify key components of the provisions of the Personal Responsibility Act or by States to replace or modify key components of their General Assistance or similar means-tested programs conducted by States or by counties with State funding or under State mandates;

(b) Existing law means Federal, State or local statutory laws or ordinances which are enacted as an effort to reform a Federal or State welfare system and regulations issued pursuant thereto that have been formally promulgated pursuant to public notice and comment procedures (45 CFR §1639.2).

Recipients may represent an individual eligible client who is seeking specific relief from a welfare agency if such relief does not involve an effort to amend or otherwise challenge existing law in effect on the date of the initiation of the representation (45 CFR § 1639.4).

Consistent with the provisions of § 1612.6(a) through (e), recipients may use non-LSC funds to comment in a public rulemaking proceeding or respond to a written request for information or testimony from a Federal, State or local agency, legislative body, or committee, or a member thereof, regarding an effort to reform a Federal or State welfare system (45 CFR § 1639.5).
Recipients must have written policies and procedures to guide their staff in complying with this part (45 CFR § 1639.6).

Suggested Audit Procedures

- Obtain an understanding of the written policies and procedures in place to ensure compliance with the requirements. Determine if the recipient's written policies and procedures are consistent with the provisions of the regulation.

- Determine how the recipient ensures that the written policies and procedures are communicated to staff and whether these procedures are followed in practice by staff. Interview a sample of recipient staff as to their knowledge concerning the possible existence of any matter falling under the prohibitions of this section. Follow up on all such possible occurrences.

- In conjunction with the review of the sampled case files, and including discussions with the appropriate case handler, assess compliance with this regulation. Adequately document this assessment in the workpapers.

_1642 ATTORNEYS' FEES_

LSC Regulations

45 CFR §§ 1642.2, 1642.3, 1642.4, 1642.6

Compliance Requirement

Except as noted below, no recipient may claim or collect and retain attorneys' fees for any case filed after April 25, 1996 (45 CFR §1642.3).vi

An attorneys' fee is an award to compensate an attorney of the prevailing party made pursuant to common law or Federal or State law permitting or requiring the awarding of such fees or a payment to an attorney from a client's retroactive statutory benefits (45 CFR§1642.2(a)).vii To claim attorneys’ fees means to include a request for attorneys’ fees in any pleading (45 CFR§1642.2(d)).viii following are not considered attorneys’ fees and may be claimed and collected for cases filed after April 25, 1996: (1) fees in cases to which a court appoints a recipient or an employee of a recipient to provide representation in a case pursuant to a
statute or a court rule or practice equally applicable to all attorneys in the jurisdiction, and in which the recipient or employee receives compensation under the same terms and conditions as are applied generally to attorneys practicing in the court in which the appointment is made; (2) payments made to a recipient or an employee of a recipient pursuant to a grant, contract or other agreement by a governmental agency or other third party for representation of clients; (3) sanctions imposed by a court for violations of court rules, including Rule 11 or discovery rules of the Federal Rules of Civil Procedure, or similar State court rules; (4) reimbursement of costs and expenses from an opposing party or from a client pursuant to §1642.6.ix (45 CFR §§1642.2, 1642.3, 1642.4(a)).

The prohibition, with the exceptions listed above, on claiming or collecting and retaining attorney’s fees applies also to private attorneys who receive compensation from the recipient to provide legal assistance to eligible clients under the recipient’s private attorney involvement (PAI) program, judicare program, contract or other arrangement. However, the prohibition does not apply to private attorneys who undertake representation on a pro bono basis (45 CFR §1642.4(b)).

Any attorneys’ fees received by the recipient resulting from representation supported in whole or in part with LSC funds shall be allocated to the fund in which the recipient’s LSC grant is recorded in the same proportion that the amount of LSC funds expended bears to the total amount expended by the recipient to support the representation (45 CFR § 1642.5(a)). Attorneys’ fees shall be recorded during the accounting period in which the money from the fee award is actually received by the recipient and may be expended for any purpose permitted by the LSC Act, regulations and other law applicable at the time the money is received (45 CFR § 1642.5(b)).

Recipients must have written policies and procedures to guide their staff in complying with this part and shall maintain records sufficient to document the recipient’s compliance with this regulation (45 CFR § 1642.7).

Suggested Audit Procedures

- Obtain an understanding of the written policies, procedures and recordkeeping in place to ensure compliance with the regulation. Determine if the recipient’s written policies, procedures and recordkeeping are consistent with the provisions of the regulation.

- Ensure that the mandatory recordkeeping requirements impacting this regulation are in place in accordance with the Office of Program Operations’ memo to all LSC Program Directors dated December 8, 1997. Adequately document this assessment in the workpapers.

- Verify, on a test basis, that the cases or circumstances in which fees or payments were received were allowable pursuant to 45 CFR § 1642.4 and including, if applicable, the interpretive guidance provided in Program Letter 97-1. As part of its recordkeeping
system, the recipient shall maintain a separate file that identifies all attorneys’ fees received. In accordance with §1642.2(b)(1), for each case in which a recipient receives compensation for representation in a case where the recipient or an employee of a recipient has been appointed to provide the representation pursuant to statute or court rule or practice of equal applicability to all attorneys in the jurisdiction, the recipients shall include in the client’s file copies of the court order directing that the recipient or employee of the recipient provide representation in the case and a copy of the statute or court rule that permits such appointment. If the appointment was made orally or was subject to an unwritten practice, the recipient should include an appropriate written description of the appointment or practice, as the case may be.

- Review and test method of allocating fees and related expenses associated with fee-generating cases to the various funds. Verify that the fees were recorded in the same fund to which the related expenditures were charged as required by 45 CFR §1642.5(a).

- Interview the executive director and a sample of recipient attorney staff about the requirements of 45 CFR § 1642 and inquire as to their knowledge of any instances in which fees were received by the recipient but not recorded in the accounting records. Follow-up on all such possible occurrences.

- Verify that fees awarded to a recipient were not recorded as revenue until received as required by 45 CFR §1642.5(b). For each case in which a recipient receives an award of attorneys’ fees as defined in §1642.2, the recipient shall include in the accounting records documentation indicating that the case was filed prior to April 26, 1996.

1644 DISCLOSURE OF CASE INFORMATION

LSC Regulations

45 CFR §§ 1644.3, 1644.4, 1644.5

Compliance Requirement

For each case filed in court by its attorneys on behalf of a client of the recipient after January 1, 1998, a recipient shall disclose, in accordance with the requirements of this part, the following information: (1) the name and full address of each party to a case; (2) the cause of action; (3) the name and full address of the court where the case is filed; and (4) the case number assigned to the case by the court (45 CFR § 1644.4(a)). Recipients shall provide the information required in § 1644.4(a) to LSC in semiannual reports in the manner specified by LSC. Recipients may file such reports on behalf of their subrecipients for cases that are filed under subgrants (45 CFR § 1644.4(b)). Upon request, a recipient shall make the information required in § 1644.4(a) available in written form to any person (45 CFR § 1644.4(c)).

The case disclosure requirements of this part apply: (1) to actions filed on behalf of plaintiffs or petitioners who are clients of a recipient; (2) only to the original filing of a case, except for appeals filed in appellate courts by a recipient if the recipient was not the attorney of record in the case below and the recipient’s client is the appellant; (3) to a request filed on behalf of a client of the recipient in a court of competent jurisdiction for judicial review of an administrative action; and (4) to cases filed pursuant to subgrants under 45 CFR Part 1627 for the direct representation of eligible clients, except for subgrants for private attorney involvement (PAI) activities under Part 1614 of these.
regulations. (This Part does not apply to any cases filed by private attorneys as part of a recipient’s PAI activities pursuant to Part 1614 of these regulations.) (45 CFR §§ 1644.3(a) and (b))

Each recipient shall adopt written policies and procedures to implement the requirements of this Part (45 CFR § 1644.5).

Suggested Audit Procedures

- Obtain an understanding of the written policies and procedures in place to ensure compliance with the regulation. Determine if the recipient's written policies and procedures are consistent with the provisions of the regulation.

- Program Letter 98-5 provides guidance as to the timing and format of the semiannual case disclosure reports required by this regulation. These reports must be submitted by the recipient to LSC on the sample form provided by LSC or on other forms containing the same information requested by LSC. Ensure that these reporting requirements are in place and that the semiannual case disclosure reports have been properly prepared and submitted to LSC on a timely basis in accordance with Program Letter 98-5. Verify, on a test basis, the information contained in the semiannual case disclosure reports. Document this review in the workpapers.

- In conjunction with the review of the sampled case files, and including discussions with the appropriate case handler, be alert for any cases that may fall under the reporting requirements of this regulation that have not been included in the semiannual case disclosure reports. Follow up on and document all such exceptions in the workpapers.

OTHER STATUTORY PROHIBITIONS

Section 1007(b)(8) of the LSC Act prohibits the use of LSC funds to provide legal assistance with respect to any proceeding or litigation which seeks to procure a nontherapeutic abortion or to compel any individual or institution to perform an abortion, or assist in the performance of an abortion, or provide facilities for the performance of an abortion, contrary to the religious beliefs or moral convictions of such individual or institution.

Section 1007(b)(9) of the LSC Act prohibits the use of LSC funds to provide legal assistance with respect to any proceeding or litigation relating to the desegregation of any elementary or secondary school or school system, except that nothing in this paragraph shall prohibit the provision of legal advice to an eligible client with respect to such client's legal rights and responsibilities.

Section 1007(b)(10) of the LSC Act prohibits the use of LSC funds to provide legal assistance with respect to any
proceeding or litigation arising out of a violation of the Military Selective Service Act or of desertion from the Armed Forces of the United States, except that legal assistance may be provided to an eligible client in a civil action in which such client alleges that he was improperly classified prior to July 1, 1973, under the Military Selective Service Act or prior law.

Public Law 104-134

Abortion

SEC. 504. (a) None of the funds appropriated in this Act to the Legal Services Corporation may be used to provide financial assistance to any person or entity (which may be referred to in this section as a "recipient")—

(14) that participates in any litigation with respect to abortion

Interim Guidance on Compliance Requirement

This provision applies the previously existing statutory prohibition to all funding. The restriction in the Act, Section 1007(a)(8), prohibiting all legal assistance (not just litigation) concerning the procurement of non-therapeutic abortions, continues subject to 45 CFR §§ 1610.2 and 1610.3.

Suggested Audit Procedures

• Obtain an understanding of the policies, practices and internal controls in place to ensure compliance with the statutory prohibitions identified above.

• In conjunction with the review of the sampled case files, and including discussions with the appropriate case handler, assess compliance with these statutory prohibitions. Adequately document this assessment in the workpapers.

OTHER COMPLIANCE REQUIREMENTS

Accounting Requirements
Recipients are required to adhere to requirements of the Accounting Guide for LSC Recipients (August 1997) including LSC’s "Fundamental Criteria of an Accounting and Financial Reporting System." This Accounting Guide sets forth financial accounting and reporting standards for recipients of LSC funds, and describes the accounting policies, records, and internal control procedures to be maintained by recipients to ensure the integrity of accounting, reporting and financial systems.

Property Management Requirements

The recipient must maintain a property management system for its LSC-funded activities that is adequate to meet the standards of the Corporation's Property Management Manual and the Accounting Guide for LSC Recipients (August 1997).

Suggested Audit Procedures

- Determine whether the recipient maintains proper records for and adequately safeguards property:
  a. Obtain an understanding of the recipient’s policies and procedures for property management and ascertain if they are in accordance with LSC’s Property Management Manual and the Accounting Guide for LSC Recipients (August 1997);
  b. Select a sample of property transactions and test for adherence to LSC’s Property Management Manual and the Accounting Guide for LSC Recipients (August 1997);
  c. Inquire if a physical inventory of property purchased with LSC funds has been taken recently and, if applicable, test whether any differences between the physical inventory and property records were resolved;
  d. Identify property acquired with LSC funds during the audit period and trace selected purchases to the property records (Verify that the property records contain the following information about the property: description, including model and serial number or other identification number; source of funds used for acquisition; inventory control number; acquisition date and cost; location; useful life; and, if applicable, date of disposal and sales price); and
  e. Select a sample of property acquired with LSC funds from the property records and physically inspect the property, including ascertaining whether it is appropriately safeguarded.

- Determine the amount of property dispositions for the audit period and verify that dispositions were properly classified between property acquired with LSC funds and property otherwise acquired.
Grant Award Requirements

The grant award document(s) may have special terms and conditions that should be considered during the audit. Auditors should determine the significant compliance requirements from the grant document, and develop audit procedures to test compliance with those requirements.
END NOTES

i. Memorandum from John A. Tull, Director, Office of Program Operations, to all LSC Program Directors regarding "Recordkeeping Requirements" (Dec. 8 1997).

ii. “Tribal funds” means funds received from an Indian tribe or from a private nonprofit foundation for the benefit of Indians or Indian tribes (45 CFR §1610.2(h)). This definition under the regulation is slightly broader than the definition found in the LSC Act.

iii. If a recipient has a claim for attorneys’ fees in a class action filed before April 26, 1996 for work done before August 1, 1996, participation limited to pursuit of such attorneys’ fees does not violate this restriction.

iv. Prior to April 26, 1996, recipients could use public, IOLTA or tribal funds for redistricting litigation, if the use of funds for such activity was consistent with the purpose for which such funds were provided. Recipients may still use tribal funds for this purpose, if consistent with the purpose for which such funds were provided.

v. Public Law 104-134, permitted recipients to divest themselves of certain prohibited cases including litigation on behalf of incarcerated persons between April 26, 1996 through August 1, 1996. Thus, recipients could still participate during this period in litigation on behalf of incarcerated persons if the litigation was pending on April 26, 1996, while attempting to divest themselves of such lawsuits.

vi. Because this prohibition gives rise to complex and difficult issues, LSC issued Program Letter 97-1 on August 7, 1997 to further explain these issues. Auditors should consult this Program Letter for guidance when it is unclear if a recipient’s conduct is consonant with 45 CFR 1642.

vii. The language at the end of this subsection, “or a payment to an attorney from a client's retroactive statutory benefits” was added in the final regulation and relates to fees in Social Security cases paid to an attorney which come out of a client’s retroactive social security benefits. Such fees may be collected until June 11, 1997 (the effective date of the final regulation). Furthermore, §4 of Program Letter 97-1 provides that after June 11, 1997, a recipient may redirect such fees to the client and, if necessary, receive a check for the payment and, without depositing it, sign it over to the client, while retaining clear documentation of such transaction.

viii. Program Letter 97-1 discusses several issues related to the extent of the prohibition on “claiming” fees:
   1) The prohibition on claiming attorneys’ fees extends to a claim “on behalf of the client”, but the recipient will not be sanctioned or required to take remedial action if the claim was made before August 7, 1997 and no further action to claim was taken after that date; however, the recipient may not receive any portion of such attorney fees. (See §2 of the Program Letter).
   2) The recipient may not assert its professional responsibility under §1006(b)(3) of the LSC Act as a basis to claim attorney fees because it believes the failure to assert such a claim may jeopardize the client’s interest in the case. In such instance, it must take necessary action under the Rules of Professional Responsibility, such as either declining the case or disclosing this limitation on its representation to the client and accepting the case with the client’s approval of this limitation. (See §7 of the Program Letter).
   3) In the particular instance where a program is under contract with a state agency to seek attorneys’ fees on behalf of the state pursuant to a statutory mandate in child support cases, the recipient may seek the fees and turn them over to the state because it is acting as an agent of the state. In any apparently similar situation, a recipient should seek LSC guidance regarding whether the attorneys’ fees restriction applies. (See §6 of the Program Letter).
Other than these exceptions, the scope of the prohibition on collecting attorneys’ fees is broad. Its scope is further elucidated in §§3 and 5 of Program Letter 97-1.

1) §3 - It extends to a court award of attorneys’ fees where none had been claimed, but the recipient will not be sanctioned or required to take remedial action if the fees were received before August 7, 1997.

2) §5 - A recipient is not permitted to bypass the restriction by assigning fees for cases filed after April 25, 1996 to a third party.

When a program co-counsels with a pro bono attorney, the private pro bono counsel may claim fees, but only for his or her own work. Any such claim must not be a general claim, but rather one specifically on behalf of the co-counsel only. Because of the difficulty of this issue, Program Letter 97-1, §1 provides that this interpretation shall be prospective from August 7, 1997 as to the form of the claim. However, the program may not collect any such fees.

The Accounting Guide for LSC Recipients (August 1997) became effective on August 14, 1997, replacing all accounting portions of both the 1981 and 1986 Audit and Accounting Guide. Prior to this date, recipients were required to adhere to accounting requirements of the LSC Audit and Accounting Guide for Recipients and Auditors, and could follow either the 1981 or 1986 version. LSC’s "Fundamental Criteria of an Accounting and Financial Reporting System" was incorporated in Chapter III of the 1986 version of the Audit and Accounting Guide but was also required to be adhered to by users of the 1981 version of the Audit and Accounting Guide. The audit provisions of the 1981 and 1986 versions of the Audit and Accounting Guide were superseded by the LSC Audit Guide, originally adopted in 1995 and revised in 1996.
